kit

A Blockchain for Financial Markets. Built on Bitcoin.

Mintlayer is a long-term, secure solution for scaling and accelerating the future of decentralized finance.

Graphic Resources

Consult the attached file, you will find the relevant graphic resources:

Mintlayer Logo Declination and the proper Color scheme.

Please familiarize yourself with our guidelines and best practices.

- Don't modify the Mintlayer logo in any way, that includes changing the colors, rotating or stretching the logo/pictogram, adding text, etc.

If there's a version of our logo you need but don't see, please reach out with your request.
